I/We the undersigned call on the Head of the Planning and enforcement, London Borough of Hillingdon, 3 North Civic Centre, High Street Uxbridge UB8 1UW to grant the extension of sitting of a portacabin in the front of the building for a temporary period, for the following reasons:

- The application was made on 1st Nov 2010 for the extension of time for the Porta Cabin use, Council has taken more than usual time for the planning decision, app ref: 64184/APP/2010/2511
- The Porta Cabin is only a Temporary structure whilst the planning application for the development of the whole site is considered. This planning application was submitted on 2nd Sept 2010 and the Council has not given final decision to date, adding further to the delay.
- The Council has not taken into account a charitable self help organisation serving the Local Hindu Community's need for a Temple, the only registered Hindu Temple in the Borough, the enhancement of cultural activities in the area for the Hindu Community, the development of the Temple that would attract visitors and regeneration and enhancement to the area.
